

# Cross Now Indicator

The Unipart Dorman Cross Now Indicator displays a message when it is safe for London Underground personnel to cross the track whilst in a depot environment.

Developed using LED Wig Wag Module Technology, the indicator illuminates "CROSS NOW" in yellow text when it is energised.

The product is derived from the existing LED Wig Wag, for use as an indicator to Cross Now in depots. The indicator is supplied by a 24Vdc supply.

## Features and Benefits
